## ARTIST BIOGRAPHY

Five-time Grammy winner **DIANNE REEVES** is the world's pre-eminent jazz vocalist. As a result of her virtuosity, improvisational prowess and unique jazz and R&B stylings, Reeves received the Grammy for Best Jazz Vocal Performance for three consecutive recordings — a Grammy first in any vocal category.

Reeves has recorded and performed with Wynton Marsalis and the Lincoln Center Jazz Orchestra. She has also recorded with the Chicago Symphony Orchestra conducted by Daniel Barenboim and was a featured soloist with Sir Simon Rattle and the Berlin Philharmonic. Reeves was the first Creative Chair for Jazz for the Los Angeles Philharmonic and the first vocalist to ever perform at the famed Walt Disney Concert Hall.

Featured in George Clooney's six-time Academy Award nominated *Good Night, and Good Luck*, Reeves won the Best Jazz Vocal Grammy for the film's soundtrack. In 2022, Reeves was the featured vocalist on the soundtrack of *The Woman King* starring Viola Davis. She has toured throughout the world in a variety of contexts including "Sing the Truth," a musical celebration of Nina Simone also featuring Angelique Kidjo and Lizz Wright. And she has performed at the White House on multiple occasions.

Reeves has worked with legendary producers George Duke (Gladys Knight, Anita Baker) and Arif Mardin (Norah Jones, Aretha Franklin) — the latter on her Grammy winning *A Little Moonlight*, an intimate collection of standards. When Reeves' holiday collection *Christmas Time is Here* was released, Ben Ratliff of *The New York Times* raved, "Ms. Reeves, a jazz singer of frequently astonishing skill, takes the assignment seriously; this is one of the best jazz Christmas CD's I've heard."

Reeves' most recent release *Beautiful Life*, features Gregory Porter, Robert Glasper, Lalah Hathaway and Esperanza Spalding. Produced by Terri Lyne Carrington, *Beautiful Life* won a Grammy for Best Jazz Vocal Performance. Reeves was a mentor in the Rolex Mentor & Protégé Arts Initiative. She is also the recipient of honorary doctorates from the Berklee College of Music and The Juilliard School and has been designated a Jazz Master by The National Endowment for the Arts — the highest honor the United States bestows on jazz artists.

In April 2025, Reeves joined Herbie Hancock and an extraordinary array of artists in Abu Dhabi to celebrate International Jazz Day. Reeves is featured on the Branford Marsalis Quartet's highly anticipated tribute to the legendary John Coltrane / Johnny Hartman recording which will be released in September 2026. Entitled *Dedicated to You*, this project was conceived by Marsalis in celebration of the centennial of John Coltrane's birth. Reeves and Marsalis will take *Dedicated to You* directly to you on a global tour to span more than a year.
